This Order addresses two matters: (1) consent under 28 U.S.C. § 636(c) and (2) the response to the motion for sanctions.

Consent

The complaint has now been amended to reflect that Dr. Suzanne Feinstein is suing derivatively on behalf of Advanced Behavioral Health, LLP. If Dr. Feinstein intends to consent to the undersigned's exercise of jurisdiction under 28 U.S.C. § 636(c), she shall file a letter to the undersigned by July 14, 2021, that attaches a new signed form so stating. The form is available at: <https://nysd.uscourts.gov/sites/default/files/2018-06/AO-3.pdf>.

Motion for Sanctions

The Court believes there may be good reasons, in light of the realignment of the parties and the addition of a new litigant, to have the parties address the sanctions issue anew. While defendant's letter is unclear (Docket # 49), there may perhaps be a basis for believing that defendant is prepared to be more forthcoming as to the missing documentation. In any event, plaintiff is directed to discuss the matter with defendant forthwith. Plaintiff may either file a reply to defendant's letter on or before July 28, 2021, or may withdraw the pending motion with leave to reinstate.

SO ORDERED.
